

The background of the slide is a photograph of the Leonard N. Stern School of Business building. The building is a modern, multi-story structure with a prominent curved facade. The name "LEONARD N. STERN SCHOOL OF BUSINESS" is visible in large, light-colored letters along the top of the curved section. The building features large glass windows and several white columns supporting the entrance. Two flags are flying from poles in front of the building. The overall scene is brightly lit, suggesting daytime.
